

TRINIDAD & TOBAGO

Maritime Industrial Services

Trinidad and Tobago's (T&T) robust maritime infrastructure, strategic geographic location, specialized value chain and ecosystem provide the right environment for your commercial maritime operations.

MARITIME INVESTMENT OPPORTUNITIES

SHIP LAY-UP

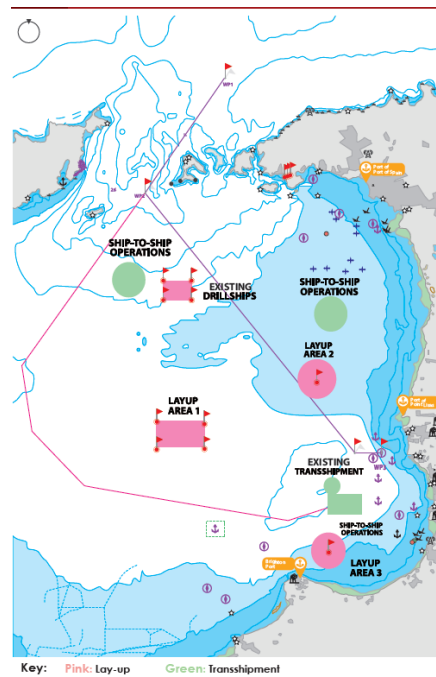

T&T's natural and safe harbor offers storage opportunities for commercial ships that require:

- a) Cold Lay-up: Services for vessels that are out of service for up to 5 years.
- b) Warm Lay-up: Services for vessels that are out of service for up to 12 months.

OFFSHORE TRANSHIPMENT

Bounded by the Gulf of Paria, the calm waters are ideally suited for companies with interests in transshipping bulk materials or petrochemicals from the Latin American & Caribbean region destined for international markets.

T&T's COMPETITIVE ADVANTAGES

- 5 ports, including 2 international container ports.
- Proximity to LATAM markets.
- Naturally sheltered deep harbour – the Gulf of Paria.
- Location below the hurricane belt.
- A developed maritime infrastructure.
- Specialised Maritime workforce.
